## PROBE FARM STRIKE

For the purpose of meeting farmers and strike committees with a view to looking into the situation and straightening out matters, William H. Blatchford, assistant grain commissioner of the board of grain commissioners for Canada to Calgary, accompanied by Commissioner C. A. Hamilton of Winnipeg, will go to Myraman, Alta. today.

It is claimed by the farmers, Commissioner Blatchford explained, that since the first half of last November operators of the five elevators in the Myraman district had received orders to buy all grain at "tough" prices. "It has been shown that no such instructions were given by the head office of the grain companies," Mr. Blatchford added.

Although there have been few deliveries in the past few months, the companies have refused to remove their grain from the demand of the farmers.

"Grain companies are compelling by the Canada Grain Act to take grain for storage and shipment but

## RADICALS MAY TRY COUP AT ENTHRONEMENT

Belgian Authorities Hard at Work to Prevent Demonstrations

BRUSSELS, Feb. 21.—Rumors of a radical demonstration for a republic may be attempted during the enthronement of Crown Prince Leopold Friday led authorities last night to perfect careful precautions. Police officials also moved to do so to assure complete protection for the king, prince and other royal nobles arriving for the funeral of Albert I Thursday night and the elevation of his son.

When a crowd of about 10,000 people attempted to make last year's report was reported to have arrived already.

## 2 DEATHS MADE ALBERT RULER

BRUSSELS, Feb. 21.—King Albert, who was renowned as the only reigning monarch to fight with his army in the trenches, became king of the Belgians through an almost unparalleled chain of circumstances.

Three royal princes were destined to die before Prince Albert, king of the Belgians, was crowned in 1935. He was the last male member of the dynasty founded in 1835 by his grandfather, Leopold I, Prince of Sax-Coburg.

## DOLLFUSS RULE THREATENED BY ANGERED ENEMY

Plan to Gain Power and Authority Through Army, Police, and Not by Insurrection

—Martial Law Lifted

VIENNA, Feb. 21.—A Socialist swing to the Nazis is on in Austria today. Nazi leaders say they are swamped with offers of cooperation from Socialists embittered by last week's civil strife. They add that they have been "embarrassed" by Socialist offers of arms, for they explain their plan is to gain power through the army, police and gendarmes—not by an insurrection.

Heretofore, in the government's anti-Nazi drive, Socialists have supported Chancellor Dollfuss. They disapproved of his policies, but considered his regime the lesser of two evils.

Now, the Socialist turn to Nationalism, which is being spread through Austria, is said to be based on the belief the Nazis offer the only chance more than does the government.

Martial law was ordered to be lifted today after having been in effect throughout the civil strife.

A few Austrian newspapers boldly advocated a "return to normal" in commenting today on the Nazi ultimatum.

Three Condemned Men in Boston Prison Live 24

More Hours

BOSTON, Feb. 21.—The executions of three young men scheduled for after midnight last night at the state prison were postponed until today by Warden James L. Haggitt because Robert Elliott, the executioner, is snow-bound somewhere between New York and Boston.

The men are Herman Snyder of Boston, convicted of a double murder in Los Angeles, convicted for the killing of a woman, and Harry Campbell, convicted of a double murder in New York.

Police claim Snyder led a double life, carrying on business and well-respected among his business associates, while at the same time he was planning and executing the robberies.

### Despite Eight-day Edict of Nazis, Dollfuss Will Lift Martial Law Today

#### City Honors Fallen Defenders.

VIENNA, Feb. 21.—The government apparently sure of its position in the face of Nazi demands, announced that martial law will be lifted here today after being in force through a week of sanguinary civil war.

Simultaneously, a funeral service for the slain chancellor was conducted at the city hall for 90 police, soldiers and

In his address before the Rathaus, before which the army trucks bearing the coffins were drawn up amid a forest of bayonets, Fey declared that an irresponsible element controlling a heavily-armed force tried to erect a Soviet state in middle Europe in the socialist uprising.

At the cemetery was huddled a throng of weeping women and children. The merciless wind tore at their clothing and whipped the widows' veils aside, showing grief-distorted faces.

### FULL MILITARY RITES

As the last coffin was placed in the huge trench a volley of musketry rang out, and in the distance field artillery boomed a 12-gun salute, and a band played the national anthem.

## GIRL'S PICTURE ALICE WHITE CAN'T TELL HER AGE! GREINA GREEN BUSINESS WAS PROFITABLE ONE

**WORTH \$3,000**

CINCINNATI, Feb. 21.—Nola Henrich, 21, who is now a photograph studio and saw her own likeness there.

Now she's living Lawrence A. Remler, the proprietor, for \$3,000 damages, charging the public display of her picture caused her embarrassment, humiliation, shame and disgrace and that she has been ridiculed by her friends.

**By DAN THOMAS**

HOLLYWOOD, Feb. 21.—If there is a home of the things you may want to know about the movies and their makers:

Alice White seems to be the only girl in Hollywood who doesn't know the exact date of her birth. Alice's parents died when she was a small child and the first thing she did when she went to live with her grandmother was to tear the pages containing the birth dates out of the family Bible.

The burning of the court house in Paterson, N.J., destroyed her birth record there. Perhaps she doesn't want anyone to know her correct age.

Nigel Bruce still carries the large silver watch which his father had carried from boyhood.

Prince, the huge Great Dane which works in numerous pictures, often is taken by his master to film previews.

Carl Brisson, newly imported Danish actor, formerly was middleweight boxing champion of England.

**Canny Scotch Methods Built Nice Fortune From Romance**

EDINBURGH, Scotland, Feb. 21.—How an appreciation of the romantic and a canny business instinct were united to produce a fair-sized fortune was recalled yesterday as the famous Greina Green Smithy put this side of the Scottish border.

It is many years since loveless English couples despairing of overcoming parental objections of their marriage were able to race to Greina Green to be married in Scottish fashion by plighting their troth before the blacksmith, with the anvil as an altar.

Such marriages in a hurry became impossible when regulations were made requiring that one partner to the marriage, at least, must have resided in Scotland for 21 days.

MacKie as a youth, himself witnessed the marriages over the anvil. He prospered as a farmer and 30 years ago bought the Greina Green Smithy property.

Afterwards he successfully cultivated all the romance, real and legendary, attached to the place. More than 30,000 people yearly paid sixpence apiece (12 cents) to view the smithy and about 300 couples annually have chosen Greina for their marriage.

The success of MacKie's propaganda became so pronounced that a few years ago the smithy was converted into a limited company, with his wife, son and three daughters as co-directors.

With roads muddy and snow almost gone, grain hauling is at a standstill. L. A. Woods, at Spirit Lake, loaded a car of wheat at Peoria last week.

# Mr. Speaker's Bill to Clean Up Pensioners, Fed. Chamber Pleds For Fair Treatment To Returned Men

By W. A. de Gruver  
NORWICH, N.Y., Feb. 22 (AP)—The House of Representatives today passed a bill to clean up the pension system for World War I veterans.

The bill, known as the "Veterans' Pension Act," was introduced by Mr. Speaker, Charles McNary, of Oregon. It provides for the payment of pensions to veterans who served in the United States Army, Navy, or Marine Corps during World War I.

The bill also provides for the payment of pensions to veterans who served in the United States Army, Navy, or Marine Corps during World War I. It also provides for the payment of pensions to veterans who served in the United States Army, Navy, or Marine Corps during World War I.

# War's Inhumanity Proven by Official Photographs

Through the narrow gates of war, millions of men march backward past the centuries, abandoning all their conquests of old evils, to dwell again like primitive cave men, amidst the mud and filth, creeping on all fours to kill one another. Artists call it romance. The Official Canadian War Photographs call it something else. By arrangement with the Canadian government, we continue to publish these documents daily.

**ST. MARTIN'S GATE**—In Ypres, once full of gates, few gates remained when all the tides of war had washed through them.

—Official Canadian War Photo.

**ONE THING AT A TIME**—When you succeed in taking one position, you must keep a sharp eye to the front. No time for tender human sentiment. In September, 1918, advancing from Arras to Cambrai, the Canadians swept from hedge to hedge, from sunken road to sunken road, "mopping up" as they went, but always eyes front.

—Official Canadian War Photo.

**FILLING SANDBAGS**—The trenches were always crumbling, from one cause or another. Shells, or rain, or the natural tendency of the good earth to fill in and cover up. Here are some Scotie neighbors of the Canadians at the familiar and never-ending task of filling sandbags to make trench walls and parapets. The dark shadow on the left is a funk hole, the only shelter, the only sleeping quarters in the absence of deep dugouts.

**SIR SAM SHOWS HOW**—The late Sir Sam Hughes, then Canadian minister of militia, at one of the schools of instruction, shows how he would foil an enemy with a bayonet. But, somehow, you couldn't think of tricks like this when you were all worked up over a battle.

**CHECK-UP CAUSES REVERSAL OF DECISION IN AUTO RACE**  
LOS ANGELES, Feb. 21.—Eighty-eight hours after Al Gordon was awarded the 250-mile stock car race here Sunday, American Automobile Association officials reversed their decision yesterday and gave W. (Stucky) Stubby first place. A. C. Pillsbury, regional director of the association said he took his officials 48 hours to find out an error was made in checking the third lap which resulted in Gordon, Long Beach veteran, getting the checkered flag first in token of victory.

**OAKLAND HOPING VETERAN SPITBALLER WILL GO TO CAST**  
OAKLAND, Calif. Feb. 21.—Hopful that Urban (Red) Foster, Chicago White Sox pitcher, may be induced not to quit baseball as he has announced, the Oakland club Tuesday hoped to acquire the services of the veteran spitball artist. Officials of the club league team said they had asked Lew Poncia, White Sox manager, to interfere for him. Two league spitballers, Max Larrup and Stuart Menzies, of the team's season, Jack Quinn is coming to Hollywood and Clarence Mitchell to the San Francisco missions.

**SOUPERS BEAT VARSITY TWO STRAIGHT**  
—Bill Lewis—

Followers of Superiors get more than a mild surprise last night when Luscars' Indians, won in the cool country, again and walloped the Stuarmen 4-1 in the Northern Alberta senior playoff opener. . . It is a tremendous shock, no less. . . In fact, a defeat for the Soops is far from the good folks' minds when they cram into Varsity rink to watch the action. . . This is a stepping-stone towards the provincial play-off, most of 'em think — just one of the odd hurdles, so to speak. . . Mind you, it's not ever yet, but it is the Luscars team, that does most of the stepping towards the title in that game. . . Three goals as a deficit is not a very cheery deficit for Superiors to face when they go into Thursday's final engagement. . .

The outcome of last night's little season is all the more surprising when you consider the Indians are forced to put up with a behind-the-scenes battle before they even get rating as seniors. . . but they finally gain this and their win justifies it. . .

Incidentally, it is quite a big evening for ex-Edmonton on the Luscars line-up. . . Lindsay Carver, who formerly does his shift for Imperials here, gets a goal and has an assist, as well as playing fine hockey on the defense. . . Rolfe Hills, himself once a Superior, pairs with the red-head on defense and also contributes a goal. . . Still another one-time Superior, Deacy Gillies, does his part well at centre and bangs in one of the markers. . . too, does his man on the wing, Bob Kennedy, who is a former Fly-Niner. . .

In contradiction to a statement that Duke Kees makes a couple of weeks back, the Northwestern team is not the one to watch today that Edmonton and Calgary will see no professional playoff games this year. . . All of them are to be played on the same matter what teams are in at the finish. . .

Tonight, Edmonton Athletic Club Junior make their first bid for the Northern Alberta title when they clash with Luscars here. . . It is the opener of a two-game series and, while they are in it, it is a foregone conclusion that last night just go to show once more that few things are cliche whist. . .

**QUAKERS HOKEY KINGS AT COAST**

VANCOUVER, Feb. 21.—Associated Quakers were a brace of champions of the Vancouver senior amateur hockey league last night when they trounced King Edward with a 4-3 score in the second game of their best two-game series. . . The Quakers, who defeated the Kings in the first round of the Allan Cup playoffs, scheduled for last night.

Quakers have Feb. 21 for the first time to meet the winners of the Trail-Kimberly series in the British Columbia final for the Allan Cup. . . Play Alberta in the first round of the Allan Cup playoffs.

**Ritchie Defeats King Edward Six In Semi-Finals**  
Ritchie advanced still nearer the finals of the Public Body, Fred league senior section when they trounced King Edward with a 6-3 score in the second game of their best two-game series. . . Ritchie won the first game 5-2.

Maurice Mather led the Ritchie gang with a brace of markers, while Otto Timm and Mal Mokey scored one goal each. . . Lloyd Roberts, Ed Thompson and Dave scored one each for King Edward in the first game.

North Edmonton and Spruce Avenue struggled to a 2-2 tie in their sudden death, semi-final game and a replay will be necessary on Wednesday. The winner will meet Ritchie in a home and home series and the winner of that series will meet McCauley in the finals.

**Four Quintets Active Tonight**  
Tonight's games in the "C" City Basketball league. . . The school will find the Junior Lakers taking on their elder clubmates the Hercules in the first round at 7:30. The second fixture sees the Shamrockes opposed to the Flyers who are out to repeat their win of last Friday.

**KING EDWARD Junior E.A.C. Club PARK SEXTET In Playoff Tonight LEADING LOOP**

Edmonton Athletic Club and Dayland will open their home and home total-goals series that will decide the Northern Alberta Junior hockey championship when they look horns at the Arena tonight starting at 8:30 o'clock.

This series will also earn for the winners the right to meet the Southern Alberta representatives for the provincial title. With both teams desperately anxious to take the edge of winning that opening game, action should be plentiful right from the initial face-off. Referee Clarence Campbell and up until he blows the final whistle.

Edmonton A.C. overcame their first barrier by winning the city title from the Rangers last Sunday and it is expected they will go right on to the provincial finals, although they may find a lot of difficulty in turning aside Dayland's representatives.

Comparatively little is known here as to the strength of the Dayland "extreme" late entry into the playoffs, but it is thought they will be well represented by some sturdy purchasers. They will, however, be prepared to meet the polished E.A.C. and a hard fought battle is expected.

Coach Dan Carrigan has put his team through their final workout in preparation for the tilt and their power will be unleashed from the opening bell until the final shot is made.

The second and final game of their series will be played at Dayland on Friday.

**GRADETTES BEAT VARSITY QUINTETS E.A.C. Banquets Luscars's Hockey Players Tonight**

Players and officials of the Luscars hockey team, here competing in the Northern Alberta senior finals, will be guests of the Edmonton Athletic Club at a banquet in the Shasta tonight.

The club's junior hockey team, which is scheduled to play where two teams were played during the team's tour of the province last week.

All club members are asked to be on hand at the banquet.

**Glenora Midgets Beat Pats 2-1**  
Allan Grever Glenora Midgets won a berth in the Midget league playoffs when they defeated Glenora's Carruthers' North Edmonton Pats by a 2-1 score at 114 street last night.

Parley, rangy Glenora winger lifted 2-1 the markers that gave his mates their triumph.

The high Pats' forward had sent the Pats one up Parley got the equalizer for Glenora on an assist from Sutton. Again it would have been a second, one point ahead of Vancouver.

**INDIANS LARRUP STUARTMEN 4-1 IN GREAT GAME**

**Fast-skating Mountain Team Outplays 1933 Champions to Earn Victory — Hills, Gillies, Kennedy, Carver Count For Winners**

**HAVE BIG LEAD FOR THURSDAY**

Lushout with a decisive lead that brought three goals in the first fifteen minutes of play, Luscars' larruping Indians from the mountain cool fields of the west, raced on to a 4-1 victory over Ira Stuart's Indians in the opening game of the Northern Alberta Senior hockey finals.

The battle, first of a two-game total-goals series for the Northern title and right to enter the provincial championship play-off, was staged before a crowd of 2,000 that jammed Varsity rink to capacity last night.

By their first goal, the Indians established themselves as strong favorites to eliminate last year's Alberta champion Superiors, when they scored their three-goal lead upon the home ice at the Arena on Thursday night.

**BETTER HOCKEY**  
Luscars' Indians, who were registered when Carver had gone down the ice on a run, he passed clear, the rink was empty and it was as if it came off the boards and cut loose with a beautiful shot into a high corner of the nets. There had drawn the visiting Indians to their cornering in the opening minutes.

Superiors, on the other hand, failed to make much of their play click and were forced to play a defensive game. The power defense line set by Lindsay Carver, Rolfe Hills and Ray Saunders. They resorted to a defensive game, but the Indians from the war wand of Jimmy Carver, though they succeeded in getting to closer range, were unable to score.

The Indians led in the first period, Luscars won the Stuartmen's goal in the second period, and Carver cut the lead to a pair of corners. They came back with the single tally of the last period themselves, however, thus finishing the game with that three-goal margin they had carried out of the opening 15 minutes.

Hills, Gillies, Kennedy and Carver scored Luscars' goals; and Carver also getting an assist, while Joe Brown sank the line Superior marker on a pass from Graham.

**DIDN'T TAKE LONG**  
Almost on the first rush of the game, Hills and the visitors into a 1-0 lead. Racing down with the puck from his position in the end, the smiling Rolfe drilled straight through the Superiors' defence and scored in the first minute.

Don Stuart to chance with the shot. He missed, but the Indians were not deterred. They came back and brought a thrasher cheer from the crowd that had hardly settled down to the second period. The Superiors fought back but Indians scored again, this time on a break play and, after seven minutes had passed, the Indians were up 2-0.

He went down on a three-man rush and, as the winners put the Superiors defence again, he took plenty of time before firing a shot that sailed into the net. The goal was protested that it had not entered the net, but the referee ruled that Campbell conferred with the goal judge and the decision stood.

**KENNEDY COUNTS**  
The Stuart squad again tried to cut into that margin but again their efforts were foiled. Rolfe Hills, who raged and three penalties were called with a man for each team, was the only one to be ejected.

**Brooklyn Coach May Be Manager**  
GLENDALF, Calif. Feb. 21.—Gus Stengel, coach for the Brooklyn club in the National League, last night was en route east in response to a telegram asking him to come to Brooklyn immediately.

Stengel is in connection with reports he was being considered for manager of Brooklyn. He has a long major league career as an outfielder for the New York Giants.

**Portis Eliminate Woodmen By Win**  
FORT WILLIAM, Feb. 21.—Fort William thumping first eliminated Woodmen of the World from the play-off picture here Tuesday night. The high Pats' forward had sent the Pats one up Parley got the equalizer for Glenora on an assist from Sutton. Again it would have been a second, one point ahead of Vancouver.

**Quakers Victors Over Swiss Six**  
BERNE, Switzerland, Feb. 21.—Swiss hockey team, who were celebrating their triumphant hockey tour through Europe, Tuesday night defeated a combined Bernese-Jurassic team 3-1 in a one-sided encounter.
